KESLA C645S

Agile tractor chipper with single axle

YOU SAVE
€10,000

At Kesla we listen and respond to the needs of a chipping contractor. We know contractors want high quality wood chip efficiently and effectively, without long downtimes on the machine. That is why at we at Kesla have invested heavily in technology to ensure the wood chip is consistently of high quality. The usability of the machine is excellent with low maintenance.

Due to its single axle and the 2-cylinder drawbar steering, the Kesla C645S chipper is an agile companion for your tractor.
